

Bull Shoals Lake

Arkansas

\$355

August 18th - 21st, 2017

Join us for a fun filled weekend on the beautiful Bull Shoals lake in Arkansas. Bull Shoals Dam was engineered by the U.S. Army Corps of Engineers in 1951 and is the 5th largest concrete dam in the United States . This is a Midwest paradise offering divers clear blue waters, miles of shoreline and plenty of dive site opportunities for underwater exploration. Dive sites include rock walls, huge underwater forest of oak, long gravel points that are littered with fish and sunken farm implements to name a few. Bull Shoals is a great place to complete Specialties getting you closer to the goal of Master Diver. Some of the Specialties are Boat Diver, Deep Diver, Dry Suit, Enriched Air Nitrox, Night and Limited Visibility and Wreck Diver. Water temperatures range from the 50 to 80 degree (depending on depth) and typically it has excellent visibility ranging from 15 to 30 foot at minimum. Bull Shoals also offers a nine month spearfishing season for walleye, crappie and catfish and year round season on gar, carp and drum.
